

# Steel Rack Drawers

## **SOLID**

1.5mm steel construction

## **SECURE**

Your kit with lockable feature

## **GLIDES**

Open easily with high quality runners

When you need lockable security for your 19" rack, fit a heavy duty Rhino steel drawer. Constructed in a professional black finish, drawers are 350mm deep front to back and if you lose a key - we've included a spare just in case!
